Dear Sir:

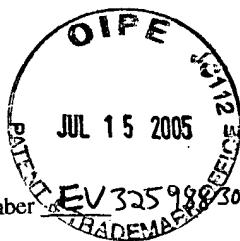

1. I, John C. Freeman, am an attorney of record in the above-identified patent application.
2. A disclosure corresponding to U.S. Provisional Patent Application No. 60/265,538 ("the '538 application") was made available to the law firm Brinks Hofer Gilson & Lione and was worked on by former Brinks Hofer attorney Darin Bartholomew at least six times from January 18, 2001 to the January 31, 2001 filing date of the '538 application during the preparation of the '538 application as evidenced by the redacted copy of the time

summary attached hereto at Tab 1. The time summary was generated from the accounting database of my law firm, Brinks Hofer Gilson & Lione and lists all time entries made by attorneys of Brinks Hofer Gilson & Lione regarding client/matter number 10022/21. Note that the client/matter number 10022/21 on the time summary corresponds to the preparation of the '538 application.

3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dear Sir:

I, SHAWN CORNELIUS, presently reside at the address of 21835 JONATHAN DR. STRONGSVILLE, OH 44149.

I am a listed inventor for U.S. Patent Application No. 09/943,964 ("the '964 application") and I have reviewed claims 1-22 of the '964 application that are presently pending as of the date of this Declaration.

I am a listed inventor for U.S. Provisional Patent Application No. 60/265,538 ("the '538 application") (Tab 1) and I have reviewed and understand the disclosure of the '538 application.

4. Based on my review of claims 1-22 mentioned above in paragraph 2 of this Declaration and my review of the '538 application, the inventions of at least claims 1-22 are disclosed in the '538 application.

5. The disclosure corresponding to the '538 application and the inventions described therein were conceived prior to January 18, 2001.

6. The disclosure corresponding to the '538 application was made available to the law firm Brinks Hofer Gilson & Lione prior to January 18, 2001.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
